Publications of Architecture Technology Corporation for which Kenneth J. Thurber served as Publisher and/or Executive Editor (Due to the immediacy of the publication schedule, many of these publications did not have ISBN numbers and were not submitted to the Library of Congress)

Books

Haugdahl, J.S., "Inside NETBIOS," Architecture Technology Corporation, Minneapolis, MN, July 1986 (later editions dated March 1988 and June 1990)..

Haugdahl, J.S., "Inside SAA," Architecture Technology Corporation, Minneapolis, MN, July 1987 (later edition dated May 1989).

Haugdahl, J.S., "Inside the Token-Ring," Architecture Technology Corporation, Minneapolis, MN, April 1986 (later editions dated January 1988 and May 1990).

Hurwicz, M., "Inside APPC," Architecture Technology Corporation, March 1987.

Newsletters (Monthly)

Token Perspectives
The LOCALNetter (the first periodical in the LAN business - 1981)
The OSINetter
The PCNetter
The MAPNetter
DataCom Reader Service
Workstation/Server News
Personal Computer Technology
The Linkup
LANWorld

Reports (many of these publications had multiple editions)

AI in the Factory
Bar Code Technology
CAD/CAM Report
Computer Integrated Mfg
ENE Report
Ethernet Report
Flexible Manufacturing Systems
PCs in the Factory
Personal Computer Gateway

Ring-Based Local Networks
Sensors in the Factory
SNA/LEN
StarLAN Technology Report
Token-Ring Technology Report
The Workstation Report
IBM vs AT&T: Local Network Strategic Issues
IBM's Telecommunications Strategy
How to Evaluate and Select Local Area Networks/Cabling Systems
The Ethernet-Type Local Networks Report
The Ring-Based Local Networks
Token-Ring Technology
Integrated Voice/Data PBXs
Local Network Vendors' Strategies Report
Distributed Process Control and Factory Communications
Programmable Controllers Report
The MAP/TOP Report
Robotics
PC LAN Software Report
PC LANs vs Multi-User Systems
The Personal Computer Gateway Report
The LAN Server Report
Personal Computer Local Networks Report
Network Database Systems
AS/400 Product Guide
PC LAN Software Report

Handbooks/Directories (many of these publications had multiple editions)

The IBM Token-Ring Product Guide
The LAN Software Directory
The Micro-to-Mainframe Communications Directory
LANbook
AS/400 Product Guide
Data Communications Product Directory
MAP Product Guide
OSI Product Guide
Token Ring Cabling System Planner
PC Perspectives 3270 Handbook
LOCALNetter Designers Handbook
The LOCALNetter Update Service
